eleviapparel.com

Who we are

ELEVIA is the men's performance apparel development brand of Guangzhou Elevia Apparel Technology Co., Ltd. We develop and manufacture training, travel and athleisure programmes for private-label brands — from fabric selection and pattern engineering to sampling, PPS and controlled bulk.

Manufacturing facts

Legal entity	Guangzhou Elevia Apparel Technology Co., Ltd.
Specialization	Men's performance, training & travel apparel
Business model	OEM / ODM / private label
Bulk MOQ	From 150 pcs per style/color
Sample path	Stock dispatch 2–3 working days · Remake 7–9 working days
Bulk lead	Approximately 25–30 days after PPS approval and fabric availability for stock-fabric programs
Trade terms	FOB and DDP
Markets	US · UK · EU · Australia · international
Core services	Fabric sourcing · Pattern · Sampling · Grading · Bulk · QC

Development tracks

01 Existing sample

Dispatch 2–3 working days, subject to size and color availability. Evaluate fabric, construction and fit before a color run.

02 Library private label

Existing pattern + your color/branding. MOQ from 150 pcs per style/color. Bulk Approximately 25–30 days after PPS approval and fabric availability for stock-fabric programs.

03 Custom development

New pattern and fabric. Prototype → fit review → PPS. Bulk only after written PPS approval.

Customization capability

- Heat transfer / silicone / embroidery logos
- Private-label neck labels, hangtags and packaging
- Colorway development against mill shade cards
- Light fit adjustments on library blocks
- Size grading S–2XL; 3XL–4XL with additional grading
- FOB or DDP delivery with export documentation
